Saeed Badghaish

Web Developer Intern at Technocolabs | Web Development & Design Intern at The Sparks Foundation
Bengaluru

Summary

I am a current Computer Science engineering bachelor's student at Dayananda Sagar university seeking full-time or part-time job opportunities.

I have professional skills on Web development and designing.

I have superior leadership and communication skills and have demonstrated excellent technical troubleshooting and customer service abilities in my previous roles. I am a motivated, and hard-working individual who ensures that every job is done with my best effort. My high abilities to collaborate, work well with qualified teams.

Should you require any further information or have any questions, please do not hesitate to reach out to me at badghaish4@gmail.com Thank you!
